

Walking Liberty Half Dollars. Beautiful to behold, the artistic skill and depth of symbolism represented in these coins marks a golden age in United States coin design. There is perhaps no better indication of Walking Liberty's timeless beauty than the fact that its obverse design graces all modern-issue Silver Eagles from the United States Mint. In this definitive Strategy Guide Series, numismatic expert Jeff Ambio completely reevaluates the Walking Liberty Half Dollar series in light of profound changes in the market during the past 20 years. Following a classic date-by-date analysis, this guide provides vital information on strike, luster, pricing, significant auction records and surviving population. Each section concludes with Ambio's trademark Collecting and Investing Strategies, which provides invaluable tips and insights into how and what to buy. Whether you seek to collect a single Walking Liberty Half Dollar to use as a type coin, or plan on spending many years investing in the finest Walking Liberty collection that money can buy, this book will serve as your passport to exploring one of the most beautiful and challenging coins ever struck in the United States Mint.
