

Today, millions of parents just like you are discovering the unique rewards of homeschooling. With homeschooling, you're able to help your child achieve academic excellence in a safe environment and acquire the essential values that are the building blocks of future success. Most important, you can customize the learning process to fit your child's specific needs. Whether you're already teaching your child at home or are considering it for the first time, Homeschooling Almanac is your indispensable guide for homeschooling success. Inside, you'll discover a world of homeschooling resources, such as:

- More than 900 educational products, ranging from books, software, and videos to games, crafts, and science kits
- A resource guide for books, magazines, catalogs, prepackaged curricula, cybersources, specific homeschooling methods, religious references, and more
- A state-by-state breakdown of legal requirements, support groups and homeschooling organizations, and conferences
- Detailed descriptions of various homeschooling approaches
- Insightful interviews with real homeschooling families

And much more! This all-encompassing guide cuts across religious and secular lines to help you discover the homeschooling style that's just right for you and your family. This is a treasure.
