

The Pyrennes is one of Europe's most spectacular mountain regions with attractions and activities ranging from the magnificent "Cathar" castles in the eastern Pyrenees to the high-altitude lakes and hiking opportunities on offer throughout. The Rough Guide map will make exploring the region by car that much simpler with information on all the routes from the main roads to unsurfaced tracks. The map pinpoints the location of many attractions and places of interest, including spas, Romanesque churches, castles and outstanding natural features. As with all the maps in the Rough Guides series, this map is made of rip-proof, waterproof Polyart™ paper, durable enough to survive a trip spent in the car glove box or rucksack.
