

Superstar writer Mark Waid's run on THE FLASH is now re-collected in a new series of graphic novels, beginning with THE FLASH BY MARK WAID BOOK ONE! When Wally West, the adolescent nephew of the Flash's fiancée, accidentally gained powers of superspeed, he became the Scarlet Speedster's sidekick. Growing up as his hero's protégé, Kid Flash had a childhood of amazing action and adventure. But on the day that The Flash died, Wally's carefree adolescence abruptly ended and his life as an adult began. THE FLASH BY MARK WAID BOOK ONE looks back at Wally's earliest days as the Kid Flash and explores the gamut of his emotions and experiences from his first day as a child hero to his succession of Barry Allen as the new Flash. A journey full of humor and drama, this story shows just how much Wally West loves being the fastest man alive.
